WARNING TAPE

Used to lay above the underground pipelines and cables for protection purpose

- ◆ Available in variety of bright colours such as Tellow, Orange, Green etc.
- ◆ Available in various thicknesses ranging from 100 Microns to 12 MM
- ◆ With non-deletable printing
- ◆ Resistant to alkalies and acids

HDPE/PP/ABS/HIPS SHEETS

Solid Sheets re used in various sectors such as:

- ◆ CASING OF AUTOMOBILES
- ◆ LINING OF REFRIGERATORS
- ◆ LINING OF SUITCASES
- ◆ THERMOFORMING TO PRODUCT VARIETY OF PRODUCTS ETC.

These sheets are availbale in variety of colours such as White, Yellow, Blue, Black etc as per the requirements of clients

HDPE "T" GRIP LINERS

The "T" Grip Lining Sheets are used particularly for the lining of the Concrete pipes from inside to save the pipe from various types of hydrogen gases, alkalies and chemicals during the passage of water.

The use of this product enhances the life of the pipes almost upto 100 years, as compared to the traditional design pipes having life of 25 years only. Some of the technicalities are as follows:

- ◆ Made of High Density Polyethylene (HDPE) Material
- ◆ Can be easily installed with the help of automatic production machine of pipes
- ◆ Having greater strength helps the pipe to sustain pressure
- ◆ No water absorption rate at all
- ◆ Used in Precast Concrete Pipes, Box Culverts, Bleach Storage Tanks etc

QUALITY SYSTEM IN SINGHAL GROUP:

- ◆ Accords the highest emphasis on quality
- ◆ Invested significantly in procuring high-end technologies that ensure the maximum level of process compliance and product quality.
- ◆ Regularly adapted latest technologies available in the market.
- ◆ We share qualit responsibility with all our stakeholders such as suppliers, vendors and third parties dealing with us
- ◆ Quality Assurance Team available round the clock to handle and assess minute details before proceeding to the next level
- ◆ Compliant with all the Government regulations in force and are committed to high ethical standards in our practices
- ◆ Our belief: "Growth and profits are the by-product of the quality that we deliver."
